MEMORANDUM FOR: Director of Central Intelligence

FROM : SA/IA

SUBJECT : Worldwide Testimony before Senate Foreign Relations
Committee, 4 February 1982

1. You are scheduled to present the Worldwide Briefing to the Senate Foreign Relations Committee tomorrow morning at 10:00. I understand that you will probably go directly from the National Prayer Breakfast to the hearing room, therefore I will make no attempt to meet you at the Old Executive Office Building.

2. I believe you are in pretty good shape. We cleaned up the text which you used the other day, and I have provided you the responses from [redacted] to the questions you asked regarding Soviet defense spending, oil exports, and gas export income. Jim will be prepared to provide backup on these items.

3. Per your request, I will have with me 20 copies of the updated list of intelligence estimates. A copy is in your folder for your reference.

4. I have included the copies of Secretary Enders statements on Central America, which you requested and received yesterday.

5. I will have with me tomorrow morning as well the book of pictures of insurgent activity in Nicaragua which you used on Monday.

6. Please let me know if there is anything else you want to have. I will plan to meet you at the hearing in the morning.
